May Monthly Message

Dear SNHA Homeowners,

Spring is in full bloom, here in northern Vermont, and the Notch Road to Stowe has opened for the season!

Mark "Arch" Archambault Memorial Scholarship Fund

Sadly, Smuggs lost a highly valued and much loved long-term employee a few weeks ago, Mark Archambault, one of Smugglers' longtime Ski Patrollers. (**https://www.burlingtonfreepress.com/obituaries/bfp037509**).

You have the opportunity to help fund a memorial scholarship in Arch's name, established by volunteer patroller Andy Plantz. (**https://www.smuggs.com/pressroom/MAMSF_HOL.pdf**)

Please consider a contribution.

~~~~~~

HOA Software Partnership: AppFolio

SNHA is very excited to announce that we are moving toward a cloud-based HOA software called AppFolio. Through this one platform we will be able to manage payment collection, online maintenance requests and work orders and so much more!

Later this month, you will receive an invitation, via email, to activate your new homeowners' portal. Please take a moment to review the contact information and update as necessary.

~~~~~~

SNHA Homeowners Survey- Grand Prize Drawing

As a reminder, the drawings for the $500 dollar Visa Gift Card Grand Prize, and the $250 dollar Visa Gift card second prize will take place at the owners' annual meeting in July. You do not need to be present to win.

~~~~~~

Technology Update

Guest Wi-Fi Improvements

- All fiber optic infrastructure has been completed, tested, and certified.
- The only remaining building to connect to fiber network is Sterling 1-4, which should be completed this month.

RFID Lock Installations/Energy Management

- All 313 locks scheduled for SALTO replacements have been completed.
- Homeowners who signed up for energy management option 1A should anticipate completion by the end of the month.
- All RFID card updaters are online and functioning throughout the resort.
- Smugglers' is continuing it's beta testing of the Mobile Key App, in anticipation of full implementation, for the summer season.

~~~~~~
